

Funfilled Queensland

Day 1 - On arrival into Brisbane you will be met and transferred to the Gold Coast where you will spend the next 5 nights at the Vibe Hotel, Surfers Paradise.

You'll find so much to see and do on the Gold Coast. Soak up the remainder of the day at this popular holiday location by the pool or on the famous, long, sandy beaches. You may like to take a wander down Cavill Avenue at Surfers Paradise, which just so happens to be in close proximity to your hotel. Do a spot of shopping or dine in at one of the many cafes and restaurants available to you.

Day 2 - Today will be the start of your 5 Day 3 Park Fun Pass. Day 1 of this pass will include entrance to Seaworld. Whilst at Seaworld you will be able to get up close and personal with some of their amazing marine life. You can also wander around the park and be wowed by the beautiful polar bears, get a sloppy kiss from a seal or marvel at the ever popular dolphins in the Dolphin Cove Show.

You will also see some crazy water sport action in the ski stunt show and for those looking for a little bit of adrenalin there are rides here for all ages. Also remember to pack your swimmers as there is a water park to keep yourself cool.

Day 3 - Don't forget to pack the sunscreen today as you are in for a full day of water fun at Wet'n'Wild Water World.

Wet'n'Wild is a great place to soak up Queensland's beautiful weather. From Australia's biggest waterslide "Mammoth Falls", Terror Canyon or the Super 8 Aqua racer there is so much water action to be had. For those not so adventurous or those just needing to relax from all the action, take a dip in the wave pool and watch a dive-in movie, or float around Calypso beach in your own tube and just watch the day go by.

Day 4 - Dreamworld!

Home to Tiger Island, Nick Central, The Australian Wildlife Experience, Wiggles World, Big Brother, FlowRider and some of the tallest, fastest thrill rides in the world, Dreamworld is the ultimate place for family fun. You want the most spine-tingling, knee-knocking scream machines in the country? The Claw, Tower of Terror, Giant Drop, Cyclone, and the Wipeout are some of the tallest and fastest rides in the world... we're not joking when we say they'll get your heart pumping.

Day 5 - After 3 action packed days, today will be yours at leisure. You may like to visit Pacific Fair for a little bit of retail therapy. Pacific Fair is located just south of Surfers Paradise and is home to many of Australia's best retailers.

Alternatively you may like to head to the Gold Coast beaches for some well deserved rest and relaxation.

Infinity is an optical illusions fun house that will keep you guessing, or you could take in the 360 degree views of the Gold Coast from the Q Deck in the Q1 Building, the world's tallest residential tower.

Day 6 - This morning you will check out of your hotel and be transferred to Warner Bros. Movie World. If you have been looking for entertainment this is the place to go. All of the rides are themed for movies or cartoons and you will find a ride here for every age group. You can also sit back and watch some of the amazing entertainment from street shows to the 3D experience. Definitely an attraction not to be missed!
